Le collezioni Ventura comprendono una serie di elementi d'arredo imbottiti: divani, poltrone, soluzioni con letto, letti. Realizziamo "sfoderabili" in Brianza da più di quarant'anni, coniugando design e comfort grazie alla creatività italiana e all'abilità manuale dei nostri esperti artigiani.

Die beiden Ventura-Kollektionen Basic Design und Shabby beinhalten eine Serie von Sessel, (Schlaf-) Sofas, kombinierbare Einzelelemente und Betten. Seit über 40 Jahren fertigen wir in der Brianza abziehbare Polstermöbel, deren Design & Komfort auf der Erfahrung unserer Polsterer und unserer italienischen Kreativität basieren.

Les collections Ventura comprennent une série d'éléments d'ameublement rembourrés: canapés, fauteuils, solutions avec lit, lits. Nous fabriquons, en Brianza, produits déhoussables depuis quarante ans et plus. Nous allions design et confort grâce à la créativité italienne, au savoir-faire manuel et à la maîtrise de nos artisans.

The Ventura collections include a series of furnishing elements: sofas, armchairs, solutions with bed, beds. We have been producing upholstered furnitures with removable covers in Brianza for more than forty years, combining design and comfort thanks to the Italian creativity and manual skill of our expert craftsmen.
